陶瓷、聲音

Ceramics, sound

長度 Duration 13'49"

尺寸不定 Dimensions variable

留白的雙耳在漫遊
尋索石化的方言
逐一敲碎與傾聽
陶瓷表面綻開的裂紋
訪臨生活軌道上
小行星的腹音

Empty ears are wandering,
In search of a petrified ancient language.
Knocking and breaking, one by one,
Listen to cracks blooming on the surface of ceramic,
Visiting the murmurs of small planets upon the orbits of life's embrace.
